

SYDNEY FLYING SQUADRON LTD

SPECTATOR FERRY IS BACK

TICKETS ON SALE NOW

We are delighted to see the return of *Radar* for the 2020/21 season.

Built in 1946 and restored in 2020 for the Biennale of Sydney, her traditional red and yellow trim has given way to striking yet traditional tattoo markings celebrating and honouring women of the Pacific Islands.

A true historic icon, *Radar* historically served as the spectator ferry for the

SFS 18-foot skiff races and, in her new livery, she is perfect for the modern-day job.

Secure your front row seat as we follow the sailing race and experience Sydney Harbour in a different way. Enjoy the on board commentary and refreshments. *Radar* is fully licensed.

Great opportunities for photography. A stunning way to spend an afternoon.

Hurry! Tickets are selling fast for the last two races of the Spring Sailing season.
